Registration for this event is complimentary, but space is limited.

Join Frontier Precision at the 2025 Esri State and Local Government Drone Meetup! Connect with members of Esri's State and Local Government Team, Esri drone experts and partners, staff from CNM's Applied Technologies department, and your State and Local Government colleagues involved in managing drone programs from across the region.

WHAT TO EXPECT:

- Live demonstrations of drone flight planning and image capture
- Insights into drone hardware, ground control, and accuracy
- Best practices for drone program management
- Integration of drone imagery into the ArcGIS system
- Networking with peers and experts from Esri, CNM's Applied Technologies department, and Frontier Precision
