

FRONTIER PRECISION WORKSHOP | IN-PERSON & ONLINE

CONNECTED SURVEYING

TRIMBLE ACCESS & TRIMBLE CONNECT

September 9, 2026 | 9 AM - 11 AM

Stop chasing files and start syncing real-time data. Join us for an intensive, hands-on workshop covering how Trimble Connect integrates directly with Trimble Access to eliminate rework, automate data flow, and keep your crews aligned.

Topics will include:

- What's new in Trimble Access 2026.10
- Introduction to Trimble Connect
- Trimble Access and Connect workflows
- Syncing information from the field to the office
- Linking job files from Trimble Access to Connect
- Trimble Connect with TBC
- Trimble Connect with point cloud data

This webinar will be a live stream of the in-person workshop happening at the same time at the Frontier Precision Hawaii Office, located at:

2144 Auiki St, Honolulu, HI 96819
