

LUNCH & LEARN

FEATURING THE NEW TRIMBLE ST30

Join us in Alaska for a free lunch, and for a hands-on demonstration of the Trimble ST30 smart target before launch! It combines optical tilt compensation, GNSS capabilities, automatic rod height and best-in-class tracking into a single, highly versatile system for maximum accuracy and productivity. **Trimble Siteworks** and **Trimble FieldLink** will also be demonstrated. This event is free, but registration is required.

NOVEMBER 20, 2026

11:00 A.M. - 1:00 P.M.

Frontier Precision - Civil Construction
3030 East Palmer-Wasilla Highway
Wasilla, AK 99654
