DEMONSTRATION HIGHLIGHTING THE LATEST **UAS/LiDAR & MOBILE** IMAGING TECHNOLOGY

9:00 am - 3:00 pm | Frontier Precision — Montana
2304 North 7th Avenue, #J — Bozeman, MT 59715

Space is limited to **30** participants.
This event is **FREE**. Lunch **IS** included!

TUESDAY - 03/14/2023

Frontier Precision has the latest innovations in drone aircraft and sensors to fit your job or application. Now, every place on earth is reachable. We offer industry leading products and software from DJI, Autel, Freefly, YellowScan, Phase One, and many others – to make sure you get the right product for the right UAS application.

With LiDAR, your first mapping and survey point should be with us. Our staff has the knowledge and real-world experience to help you implement LiDAR into your business. Just as important, with our range of LiDAR technology, you'll find a solution that works perfectly with your budget.

AGENDA

- Frontier Precision Unmanned/Sensor Solutions
[Showcasing: DJI M300; YellowScan Surveyor Ultra, Vx20; Phase One Cameras; Autel EVO II Enterprise; Freefly Astro, Alta X]
- **Lunch is on us!**
- Afternoon In-Field DEMO [Location TBA]
Live Data Collection & Processing
- Q&A
