 **TUESDAY, OCTOBER 11TH**

10/11 | TOPICS TO BE COVERED:

Part 107 Training

If you are using a drone to benefit your business in any way, you will need to get certified. This course will provide you with the resources needed to enable you to pass the Unmanned Aircraft General Exam, and operate UAS safely. This session will provide you with hands on chart study with aeronautical charts, a practice test and review, and conclude with a group discussion.
