

## UPGRADE TO **TRINITY PRO**

**FRONTIER PRECISION**  
UNMANNED

### Trinity F90+ Upgrade Program

This program is provided to offer existing Trinity F90+ users, and recent clients, a cost-effective path to upgrade to the Trinity Pro. The program is designed to ensure customer satisfaction, and help our resellers meet the customers desire to have the latest equipment.

Up to 50% discount off the purchase price of the Trinity Pro.

This comes into force immediately and will continue until the end of June 2024 (or until 12 months after sale of any Trinity F90+ on approval from Quantum Systems). Quantum Systems reserves the right to stop or change the promotion at any time. Their decision is final.

Please contact your Regional Sales Manager for any further inquiries in relation to this offer.
