

11AM - 3PM [MT] | Online
Cost **\$300** Per Person

Trimble Business Center

THURSDAY | JULY 18, 2024

Join us for a live workshop covering Trimble Access Roads. This class will focus on equipping surveyors with the skills to utilize Trimble Access Roads for road design, stakeout, and QA/QC. The course will begin with an introduction to the software and an overview of its capabilities and how it can be applied to your workflows.

- Introduction to Trimble Access Roads
- Review Trimble Access Road Workflows
- TBC Exports
- Using the Roads App
- Keying in Road Design Files
- Strings and Surfaces
- Road Navigation
- Precise Elevations
- Reports
- Q&A and Wrap-up
